The practical, step-by-step guidance packed into this book shows aspiring theatrical producers just how to set up and run a successful stage company. Starting with forming a company, the author explains how to establish and fund a budget; book a stage venue; obtain necessary licenses and insurance; see that health/safety regulations are in compliance with local laws; then cast, rehearse, and put the show on view for the public and critics. Details on the duties of the house manager, stage manager, technical crew, and box office help are all included, along with tips on publicizing and promoting shows.
