Sometime between September 21 and November 9, 1621, the Pilgrims and the Wampanoag people shared a harvest celebration that has become known as the First Thanksgiving. This is the story of what happened during those days, as told by dancing Moccasins, a fourteen-year-old Wampanoag boy, and Resolved White, a six-year-old English boy. Photographed in full color at the Plimoth Plantation, this accurate reenactment will let you experience a time when early English colonists settled on the rich and fertile land of the Wampanoag people.
