Men want to find a nice, virtuous, modest woman but they're horny all the time too.

I like sexy women but I don't trust so-called advanced, trendy women acting like hot stuff. They're cold and indifferent. They have no warmth. They don't care who they are with as long as he has money. I've seen these gold digger type women in the media. Their rich husband dies or divorces them. Six months later they got some other guy.

Guys want a solid woman but they want her sexy too.

There was the story of the guy who married the nice, respectable girl his mother found for him but he was in love with a stripper who had a nice heart. Every time he got drunk, he lamented marrying the nice girl over his heart.

I used to be a teacher. There were lots of nice, young female teachers around but they seemed not to have that wild, free-spirited original way about themselves that I'm attracted to.

It's all in the heart. There is no either-or. Marry someone you feel an intuitive connection with. That's it.

Increase Your Attractability

Shave all facial hair every day.

Be clean.

Don't wear earrings.

Don't wear any jewelry except for a watch.

Wear decent functional clothes but don't cross over into fashionable clothes. Real men do not waste time on fashion. It gives them away as vain.

If you can get eye surgery, get it to get rid of glasses.

Get your teeth fixed.

Never act arrogant.

Try not to talk about yourself.

Don't try to overtalk. Silence is good.

Be at a moderate weight.

Exercise if possible.

Get a suntan.

Talk in a sensual but not overt sexual way.

Compliment the girl.

Focus on her.

Try to show off your wealth if you're wealthy like show her your car or her house.

Try to act relaxed like you're enjoying your life.

Try to act easygoing. Smile if possible.

Don't act over the top. Many men come on like they're hot stuff. It doesn't work. You look like a dick.

Don't think you're better than you actually are.

Don't try for a romantic kiss on a first date, only at the end if it feels right.

Try not to be a pop culture flake. Live a life of inspired activity.

Join an activist group.

Don't put on airs about anything.

Guys Are too Quick to Judge a Smile a Come-on

Waitresses, strippers and others know that friendliness gets them tips.

Girls know that fake flirting gets them what they want. It could be a student with a teacher or a girl who wants money from some guy.

If a girl is friendly, keep talking casually until you feel more feedback about where her head is at.

Some young girls flirt just to toy with this newly-emerging power they feel over men then when you ask them out, they act like they were just being friendly.
