*A deliciously indulgent Christmas novella - take one broken-hearted billionaire, and a woman who wants to save the world, mix in some holiday romance, and you might just get a Christmas miracle.*

Edward Moore is a handsome CEO billionaire. And he has a secret. For the past five years he's gone to extreme lengths to repay those who helped him through the biggest tragedy of his life. The festive season usually brings nothing but pain for Edward - only this year, something's different . . .

Casey Callan knows what a hard time Christmas can be for some people. By volunteering at the Hope Centre over the holiday season she has the chance to make a small difference, even if that means donning flashing Santa Claus earrings and dancing to Christmas carols. The last thing she's thinking about is finding love . . . When a mysterious new client arrives at the drop in centre, Casey sees that there is something different and intriguing about the gorgeous, unexpected stranger. But will the deception of Edward's undercover mission bring them together or tear them apart?
