The Day I learned to say I Love you Tudor Dusmanu

"The Day I learned to say I Love you" shines brightly with poems of love and sorrow. Poems delight the soul and manage to free the heart from stress and bitterness. The book is an adventure of rhymes and a subtle reminder of inner beauty. We are all poets when love appears, in all her glory and brings about the joy of life.

"I love you" means the beginning of true companionship and of shared freedom. With three simple words two become one, a revelation of peace worth nurturing day after day. I promise you to read a beating heart and a warm embrace of love, at least how I felt it, with all its beautiful moments but also with its decaying rapture.
