Anthony Trollope

The West Indies and the Spanish Main (Cambridge Library Collection - Latin American Studies)

Anthony Trollope

Although the author Anthony Trollope (1815-82) enjoyed great success as a novelist, he was also an eager and perceptive travel writer. In this account of his voyage to the West Indies and Central America, published in 1859, he recounts the many places he visited, including Jamaica, Cuba, Barbados, Trinidad, Panama and Costa Rica. Trollope brings his eye for detail to these islands at an important time: slavery had been abolished in the British colonies, but persisted in Cuba, and he depicts this complex region and its people with all the vividness of his novels. Though sometimes reflecting the beliefs and prejudices of the Victorian period, the work remains essential and engaging reading for those interested in the nineteenth-century Caribbean. Trollope's writings on North America and on Australia and New Zealand are also reissued in the Cambridge Library Collection.

From reader reviews:

Melanie Finnegan:

What do you about book? It is not important to you? Or just adding material when you want something to explain what the ones you have problem? How about your spare time? Or are you busy individual? If you don't have spare time to accomplish others business, it is make you feel bored faster. And you have spare time? What did you do? All people has many questions above. The doctor has to answer that question mainly because just their can do that. It said that about publication. Book is familiar in each person. Yes, it is proper. Because start from on guardería until university need this specific The West Indies and the Spanish Main (Cambridge Library Collection - Latin American Studies) to read.

Christine Hughes:

Nowadays reading books be a little more than want or need but also be a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book that improve your knowledge and information. The information you get based on what kind of publication you read, if you want get more knowledge just go with training books but if you want sense happy read one using theme for entertaining like comic or novel. The particular The West Indies and the Spanish Main (Cambridge Library Collection - Latin American Studies) is kind of publication which is giving the reader capricious experience.

Wayne Hankinson:

This The West Indies and the Spanish Main (Cambridge Library Collection - Latin American Studies) is great book for you because the content that is certainly full of information for you who all always deal with world and also have to make decision every minute. That book reveal it facts accurately using great plan word or we can declare no rambling sentences inside. So if you are read the idea hurriedly you can have whole data in it. Doesn't mean it only provides you with straight forward sentences but difficult core information with attractive delivering sentences. Having The West Indies and the Spanish Main (Cambridge Library Collection - Latin American Studies) in your hand like keeping the world in your arm, details in it is not ridiculous one. We can say that no book that offer you world throughout ten or fifteen moment right but this reserve already do that. So , it is good reading book. Hey Mr. and Mrs. stressful do you still doubt that?

Delois Dionisio:

Reading a book to be new life style in this calendar year; every people loves to study a book. When you examine a book you can get a lot of benefit. When you read publications, you can improve your knowledge, due to the fact book has a lot of information into it. The information that you will get depend on what types of book that you have read. If you need to get information about your study, you can read education books, but if you want to entertain yourself you can read a fiction books, this kind of us novel, comics, and also soon. The The West Indies and the Spanish Main (Cambridge Library Collection - Latin American Studies)

will give you a new experience in examining a book.
