A Stone Bridge North

Kate Maloy

A Stone Bridge North Kate Maloy

A middle-aged woman with a teenage son rediscovers her Quaker faith, and quits her urban life for a homestead in the woods of Vermont. . A Stone Bridge North is the author's own story of "miracles found and fears allayed" in the journey out of a confining urban existence and into a simpler, more joyous life. To tell this story fully, she must look through changed eyes at her past-at childhood anxieties, family disaffections, failed marriages, late motherhood, restless boredom, and, paradoxically, a native talent for joy. She learns that she has been guided by faith even when she thought she had none. She begins to discern purpose and design both in her stories and in the light by which she sees them-a light refracted through a Quaker lens that searches for the sacred in all people. As the four seasons turn, she celebrates the loves of her new life-family, friends, language, silence, and the extraordinary landscape of Vermont.
