The creator has given us another Hero to defend the city of Metromantis... This city was once very peaceful until Evil came. In general; Where does Evil come from? Many people believe that it's from human beings making the wrong choices that leads to evil, and others believe that evil had already existed before the existence of man. In this story of Lumanite X - The Seven Crystals, You will find an interesting view to how evil came about where a man named Noah Shields embarks on a journey to learn more about the powers of the 7 crystals... This amazing but mysterious woman that Noah meets along the way had secrets that Noah needed to know in order to continue his journey to become the next Lumanite and then Lumanite X. But Noah's weaknesses of fear and premonitions about the future was also causing him to lose faith at times, making his adversaries stronger, both in his mind & also in the supernatural realms.
