BOOK #1: Prepper's Hacks: Top 16 Resources to Have so That You Never Go Through a Disaster Under Prepared

This book covers some of the most essential survival skills which should be learned prior to being needed. If the worst was to happen it will be those who are prepared not those who are fittest who survive and even flourish. Now is the time to learn these skills and to practice – whilst your life is not depending upon it. This book is not just designed to provide you with some survival tips should the worst happen; it should start you thinking differently about the everyday objects surrounding you and how they can be applied differently. Discussing survival tactics may seem like scaremongering or disillusionment with society but the tips provided in this book are genuine and can be used in a wide variety of situations. They say knowledge is power- now is the time to take power and be ready for anything!

Here is what you will learn after reading this book:

- Survival methods of producing light
- Methods to stay warm and eat hot food
- Ways to ensure you continue to have food and drink available through times of emergency
- Having essential supplies...

BOOK #2: Prepper's Hacks: 55 Amazing Safety Survival Hacks

By reading this book you will come to know how to make a ship with soda bottles and jugs to displace from the river. Moreover, this book is also an aiding guide. You can learn how to heal up the bleeding wounds, how to stop the rapid flowing blood, how to maintain B.P and how to give help to a victim of cardiac arrest at time of survival.

Let's have a fantastic look over the basic topics of this book:

- Amazing tactics for life saving survival hackers

- 55 amazing safety survival hacks – Win the fight between life and death

BOOK #3: Prepper's Pantry: 55 Most Popular Convenience Food for Tasty Life Saving Meals

Circumstances can often make many of those "comfort foods" unavailable, but fortunately there are more shelf-stable options available for preppers than ever before! Just because you are living off of emergency rations does not mean that you will be eating beans and rice every day. This book will offer suggestions that will add flavor and variety to your emergency food storage!

This book will teach you about:

- How to incorporate a variety of different fruits into your diet when they're not available fresh
- Enhancing and increasing the quality of convenience foods
- Finding a balance between ready-to-eat meals and shelf-stable ingredients
- Maximizing your family's comfort in an emergency situation through food
- Being creative and flexible with what you have on hand
- Much, much more!
