## **Relatos alterados (Spanish Edition)** Manuel Cubedo Fort

"Relatos alterados" (2016) son historias de personajes-limite que buscan su identidad (o huir de ella) y el sentido (o sinsentido) de su vida, en los confines de la cotidianidad, donde brota el delirio como unica via para aceptar la realidad.

Relatos prisioneros del embrujo de escribir que irradian pasion por la literatura y que nos transportan a un territorio fronterizo donde la ficcion se acaba convirtiendo en una necesidad.

Con claros tributos a Poe, a Borges o a Kafka y expresas referencias a Paul Auster o Enrique Vila-Matas el autor da forma, con estilo propio, a su delirio unico y personal: el delirio creador y la ficcion como forma de asentarse en la realidad."
