Rock and Roll War Stories

Gordon G. G. Gebert, Lynn Ramage

Rock and Roll War Stories Gordon G. G. Gebert, Lynn Ramage

From the critically acclaimed, and sometime damned Author, Gordon G. G. Gebert, comes his third book, "ROCK & ROLL WAR STORIES" which you now hold in your precious hands. You will never listen to your favorite band again without thinking of these twisted stories.

Musician turned Author, Gordon G. G. Gebert, has done it again. He will take us past the "velvet rope" at warp speed, pinned with a plethora of all-access passes (that would make Wayne and Garth envious), into the utter chaos and mayhem of rock and roll with an uproarious collection of TRUE stories on the road, in the studio, and everywhere else in between. No one will stop you as you will be dragged through the bowels of hell and back whether you like it or not. Gordon, along with Philadelphia's premiere rock journalist, Lynn Ramage, takes you on an insane rock and roll trip that will keep you reading as if you've just seen a train wreck.

Gebert's previous smash hit books, KISS & Tell and KISS & Tell MORE!, sent the actual members of KISS and die-hard KISS fans reeling when Gebert revealed "the man behind the curtain" in his candid expose' of Ace Frehley and KISS. One thing critics and fans all agree upon is that KISS & Tell and KISS & Tell MORE are ENTERTAINING MUST-READS!

One way or another, by the end of this tour you'll know what it takes to be a REAL rock and roll war veteran. It's as close as you'll ever get to being part of the entourage. Read it! Live it! Rock on!

From reader reviews:

Lillian Owensby:

Do you one among people who can't read enjoyable if the sentence chained from the straightway, hold on guys this aren't like that. This Rock and Roll War Stories book is readable by simply you who hate the straight word style. You will find the details here are arrange for enjoyable looking at experience without leaving possibly decrease the knowledge that want to give to you. The writer associated with Rock and Roll War Stories content conveys objective easily to understand by most people. The printed and e-book are not different in the content but it just different in the form of it. So , do you continue to thinking Rock and Roll War Stories is not loveable to be your top checklist reading book?

Bonnie Fernandez:

Information is provisions for those to get better life, information currently can get by anyone from everywhere. The information can be a understanding or any news even an issue. What people must be consider if those information which is within the former life are challenging be find than now's taking seriously which one would work to believe or which one the resource are convinced. If you have the unstable resource then you get it as your main information you will see huge disadvantage for you. All those possibilities will not happen throughout you if you take Rock and Roll War Stories as your daily resource information.

Deanna Stewart:

This Rock and Roll War Stories is great publication for you because the content which is full of information for you who have always deal with world and still have to make decision every minute. This particular book reveal it info accurately using great organize word or we can state no rambling sentences included. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only will give you straight forward sentences but difficult core information with wonderful delivering sentences. Having Rock and Roll War Stories in your hand like having the world in your arm, information in it is not ridiculous a single. We can say that no book that offer you world inside ten or fifteen moment right but this publication already do that. So , this is certainly good reading book. Hello Mr. and Mrs. hectic do you still doubt that will?

Jeffrey Gorski:

A number of people said that they feel fed up when they reading a e-book. They are directly felt that when they get a half areas of the book. You can choose the particular book Rock and Roll War Stories to make your own reading is interesting. Your current skill of reading expertise is developing when you such as reading. Try to choose very simple book to make you enjoy to read it and mingle the feeling about book and examining especially. It is to be first opinion for you to like to available a book and go through it. Beside that the guide Rock and Roll War Stories can to be your new friend when you're really feel alone and confuse using what must you're doing of that time.
