Uncovering Psychology- VCE Units 1 and 2 has been written by experienced practising psychology teachers for Units 1 & 2 of the VCE Study Design, implemented in 2010. It comprehensively covers all aspects of the VCE course in a clear and logical progression as it introduces students to the fascinating world of psychology as both theory and practice. In each unit, students are encouraged to engage with new concepts, to understand essential research methods, and to master the key investigation, application and communication skills required for VCE success.
