"The stories are alternately suspenseful, scary, horrifying and totally gripping. All the stories are well developed and original. Deserves 5 stars!" Amazon Reviewer *****

"I like horror stories and these are amazing. They're seriously scary. Some are terrifying."

"The USP of these stories is that it has many twists which changes the plot in unexpected ways."

Description:

Kelly Sidkey once famously quoted that though she does not believe in ghosts, she sees them all the time – in the woods of Scotland, in the open fields of Ireland and across the United Kingdom.

It's not surprising that in her stories, she has shared her real life experiences about ghouls, witches and genies. Her supernatural escapades are her personal experiences and therefore harder to ignore. This collection of horror stories brings together all of Kelly Sidkey's tales of the paranormal. It opens with her best-known and highest grosser story, 'The Bridge' set in the southern part of Scotland and ends with the spine chilling macabre 'The Tomb' where the visitors from the grave won't let you get out alive. In between is the tale of the 'Haunted Castle' in Ireland where something is very evil and very real. And when the terror starts, it comes with horrifying violence and brutal finality.

It is the perfect collection to have by your bedside when the wind is chilly ad the moon is up.
