Accelerating natural disasters; nations on the verge of bankruptcy; wars; revolutions; impoverishment of the masses; tens of thousands dying of starvation and violence daily.... What does it all mean? Where is it headed? What can we do about it? There is only one 100% accurate, reliable source of information with all the answers: Yahuah's ("God's") prophetic Word, especially the last book of the Bible - the Revelation of the Lord Yahushua ("Jesus"). But virtually no one, especially in the USA, fully understands the Revelation. Why not? It is the author's contention that virtually all Christian scholars, teachers, and church ministers are closing their eyes to the full meaning and the practical implications of the Revelation, which can be fully understood only from the Hebraic mindset of the one who penned it, the apostle John, and because it is too threatening to the religious status quo. But the Lord Yahuah ("God") does want His People to know the truth and to be saved from the terrible times soon to come. That is why He has made the Revelation very clear and easy to understand, for those who are willing to face up to its uncomfortable truths. The author, Watchman Bob, proves that the Revelation can be understood, not just by scholars and Bible teachers, but by the "average" person, if all the theological mumbo-jumbo is brushed away and it is read in the same literal, common-sense way, from the Hebraic mindset of its writer, that any book of the Bible should be read. He includes some aids to help the reader do that, including a common-sense guide to understanding Bible prophecy, a story-form narrative of the final seven years of world history as presented in the Revelation, a crystal-clear verse-by-verse commentary, an essay on one of the main keys to understanding the Revelation - the identification and destiny of modern, prophesied Babylon - and more. You will be enlightened and, if you take it to heart and act on it, filled with hope when you, like never before, understand the clear message of the Revelation: "The Day of the Lord Yahuah is at Hand!"
