Our Generous Garden

Anne Nagro

Our Generous Garden Anne Nagro

Children plant and harvest a school vegetable garden and in the process change their community. Easy-to-read text, pop-art images and hands-on activities highlight where food comes from, how to grow your own, and environmental stewardship. Our Generous Garden features a start-your-own-garden activity, recipes and more! This book has received great reviews from former California First Lady Maria Shriver to Martha Stewart Living Radio to Mel Bartholomew, author of America's best-selling garden book, Square Foot Gardening! Written from a child's perspective, the engaging book complements classroom curriculum and home-based learning. You'll love the way Our Generous Garden encourages healthy eating habits; helping others; responsibility, cooperation and respect; and having fun outdoors in the garden.

From reader reviews:

Heather Snyder:

Book is actually written, printed, or descriptive for everything. You can learn everything you want by a guide. Book has a different type. As we know that book is important thing to bring us around the world. Next to that you can your reading skill was fluently. A book Our Generous Garden will make you to always be smarter. You can feel considerably more confidence if you can know about anything. But some of you think that will open or reading some sort of book make you bored. It is not make you fun. Why they could be thought like that? Have you trying to find best book or ideal book with you?

Joseph Barnett:

What do you regarding book? It is not important along? Or just adding material when you require something to explain what you problem? How about your free time? Or are you busy person? If you don't have spare time to complete others business, it is make you feel bored faster. And you have extra time? What did you do? Every individual has many questions above. They have to answer that question since just their can do this. It said that about reserve. Book is familiar on every person. Yes, it is correct. Because start from on kindergarten until university need that Our Generous Garden to read.

Cecil Andrade:

Information is provisions for individuals to get better life, information these days can get by anyone on everywhere. The information can be a expertise or any news even restricted. What people must be consider when those information which is from the former life are hard to be find than now's taking seriously which one works to believe or which one typically the resource are convinced. If you find the unstable resource then you obtain it as your main information you will see huge disadvantage for you. All of those possibilities will not happen throughout you if you take Our Generous Garden as your daily resource information.

Ann Cason:

As a scholar exactly feel bored for you to reading. If their teacher inquired them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's heart or real their interest. They just do what the trainer want, like asked to the library. They go to there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Our Generous Garden can make you really feel more interested to read.
