Sin memoria (Selección RNR) (Spanish Edition) Ángela Obón

Cuatro de la madrugada. Un lujoso todoterreno se estrella contra un árbol en una carretera solitaria de la Sierra de Madrid. Dentro aparece una mujer de la que se desconoce la identidad. Pronto saltan las alarmas. La mujer es Claudia Monfort, esposa del conde de Villegas y famosa en la prensa rosa. Minutos después el hospital está lleno de paparazzis. La aristócrata tiene un traumatismo craneo-encefálico y padece amnesia. Lo único que recuerda es el momento justo del accidente: era de noche, llovía copiosamente y estaba llamando por el móvil. Sin saber por qué perdió el control del coche y se salió de la carretera. Apenas se acuerda de nada más. Y su móvil ha desaparecido.

La poderosa familia Villegas logra esconder a la joven en su mansión de La Finca, lejos de miradas indiscretas. Allí, prácticamente incomunicada, Claudia sólo recibe las visitas del médico. Su marido, Raúl, no va a verla. Se siente sola, el ambiente de la casa es asfixiante... Y las órdenes de su suegra, la condesa de Villegas, son estrictas: no permite que reciba visitas de nadie.

Claudia se queda impactada cuando conoce por fin a Raúl. Es un hombre guapo y culto por el que se siente fuertemente atraída. Pero él se muestra distante y parece mantener una lucha interior con respecto a ella: es como si la amara y al mismo tiempo le aterrara su presencia...

Cuando Claudia empieza a tener pequeños fogonazos de luz en su memoria se da cuenta de que sólo tiene dos opciones: huir de la mansión donde la tienen confinada y comenzar una nueva vida, o quedarse para descubrir la verdad que le ocultan.

From reader reviews:

Anh Huckaby:

What do you think about book? It is just for students because they're still students or that for all people in the world, the actual best subject for that? Just simply you can be answered for that question above. Every person has different personality and hobby per other. Don't be compelled someone or something that they don't need do that. You must know how great and important the book Sin memoria (Selección RNR) (Spanish Edition). All type of book can you see on many solutions. You can look for the internet sources or other social media.

Daniel Miller:

What do you in relation to book? It is not important along? Or just adding material when you really need something to explain what yours problem? How about your time? Or are you busy individual? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have extra time? What did you do? All people has many questions above. They should answer that question simply because just their can do which. It said that about guide. Book is familiar on every person. Yes, it is proper. Because start from on jardín de infancia until university need that Sin memoria (Selección RNR) (Spanish Edition) to read.

Ray Chung:

Reading a guide tends to be new life style in this era globalization. With examining you can get a lot of information that can give you benefit in your life. Using book everyone in this world can easily share their idea. Publications can also inspire a lot of people. Lots of author can inspire their own reader with their story or even their experience. Not only situation that share in the guides. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach your children, there are many kinds of book that you can get now. The authors in this world always try to improve their skill in writing, they also doing some exploration before they write with their book. One of them is this Sin memoria (Selección RNR) (Spanish Edition).

Charlie Smith:

Many people spending their period by playing outside together with friends, fun activity together with family or just watching TV all day every day. You can have new activity to enjoy your whole day by examining a book. Ugh, do you consider reading a book can definitely hard because you have to take the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Mobile phone. Like Sin memoria (Selección RNR) (Spanish Edition) which is getting the e-book version. So , try out this book? Let's notice.
