Are you a hero? Would you risk your life for freedom? When American pilot, Anthony Wyatt, naively aids a fierce Colombian rebel group, he is haunted by these questions. *Andean Rebel* explores the themes of love, death and heroism in a beautiful and aching way that you won't want to miss. In this breathtaking adventure, Wyatt, a rugged, wily fighter, falls for the beautiful Sofia, a rebel. Sofia is the fiery and passionate daughter of the local doctor who is sympathetic to the rebel's cause. To survive, Wyatt must choose either to save the captivating Sofia or to betray his mentor and the charismatic guerrilla leader. In this first novel, described as "... For Whom the Bell Tolls meets *Fast and Furious*," highly acclaimed author Gregory Solsrud plunges his readers into a high-adrenaline adventure, challenging currently-held beliefs about a still-raging conflict. Solsrud unveils secrets from his first-hand experience into a jarring glimpse of a reality in foreign lands. This intricate, high-action story tells the often untold struggle of a rebel's fight for freedom to live without corruption, to live in peace and to live with hope for a better life. Told through the eyes of four unforgettable characters, the revered and idealistic leader called El Jefe leads a small army of tough rebels along the beautiful high Andean ridges near Columbia's Central Coast. Tito, another savvy rebel leader, joins El Jefe and his band of seasoned fighters along with the wily, megalomaniac, Mono, to try and defeat government forces. The pilot, Anthony, adds his expertise to battle against a vengeful army colonel who is determined to win, whatever the cost. Anthony's nascent love for the sensual and intelligent Sofia fuels both a greater determination for success, as well as a conflict of priorities. All of his senses are challenged to operate in their highest gear. Will she help him or won't she? Without uniting, the rebels, even the most vicious ones, may fail. Filled with unrelenting action and hauntingly written, *Andean Rebel* immerses the reader in the unexpected. Ethics, heroism, and even love rise to such a pitch, in Solsrud's capable hands, that life is lived in the extreme at every moment. Against a backdrop of turmoil, fear and constant war, the reader experiences what goes beyond reason: the human heart unbridled. The growing passion between the tough Anthony and the fiery Sofia moves from hard-edged trauma to the gentlest of gestures. Both are strong-willed and independent, and their primal attraction fuels a raging need in both of them. That need compels the perilous pair to risk everything, as the fires of battle creep closer, threatening to surround them. This is a must-read, by an exciting, new author.
