In 2004 the first edition of this work, *Meet the Sasquatch*, accompanied a sasquatch exhibit at the Vancouver Museum, British Columbia, Canada. In that same year, it won the Anomalist Book of the Year Award in the category of best illustrated book. It went on to accompany another major exhibit in 2006 at the Museum of Natural History, Pocatello, Idaho. Over the last four years, the book has found its way to thousands of sasquatch/bigfoot enthusiasts world-wide, and has become an acknowledged classic in its field. General feedback and comments from numerous researchers, together with new findings, indicated that the work should not be simply reprinted. As a result, it has been updated, with a considerable amount of new material added, and has now become *Know the Sasquatch/Bigfoot*. For this new edition, Chris Murphy again consulted many major sasquatch/bigfoot researchers, scientists, and others. The information provided is the latest available, and again is highly authoritative. The title is intended to convey the message of knowing the sasquatch/bigfoot from various perspectives. The reader will gain from this work an appreciation of the creature far beyond that provided in most other published books on this subject.
