Love You, Always: Always Series Book 1 Cristin Cooper

This is the first book in the series but can be read as a stand alone. No cliffhangers and has a HEA.

Caring for her three children had been Anna's only priority in the aftermath of losing the man she'd loved since they were seventeen years old. Forced to move forward with her life, Anna was reeling as she enrolled in college. There she made a friend who had been there and done that, hired a sexy younger man to tutor her in math, who also taught her how to have fun again, and she met a man to love her, whether she wanted him to or not. The lessons in life Anna received over her first year of college gave her the strength to live again.
