Prince George of Cambridge - How to Raise the Future King of England Jacob Tudor Baruch

Dear William and Kate,

Congratulations on your first child!

I am sure that the future of George Alexander Louis is in the hands of two highly able parents. Princess Diana sure did a great job of raising a son who in turn – hand in hand with his beautiful wife – will raise a boy that is sure to make a mark in the annals of the splendid history of the British Monarchy. Long live Prince George of Cambridge, the future King of England!

In this timely eBook, which should take you less than 30 minutes to finish reading, I offer you – William and Kate (and Queen Elizabeth and Prince Harry too) – my humble advice on how you can raise Prince George to be the great man that he is destined to become.

Specifically, within these pages lies a compilation of two of my earlier eBooks, namely, “Born Identity: How to Raise Your Kid to Be a Perfect Spy” and “Outliers Kids: How to Raise Extraordinary Children.”

Together, the collective advice from these two eBooks will help you to raise your child into a man that will be independent of mind, strong of will, grand of vision, and kind of heart.

Once again, to Prince William and Princess Catherine, good luck and long live the future king – Prince George of Cambridge!
