Einstein's Shutter Vincent Yanez

Einstein's Shutter is a whirlwind journey into a decade of one man's life, in New York City, during what turns out to be one of the most horrific times in U.S. History. It's also a story about redemption, reincarnation and ultimately it is a story of the power of the human spirit in a man, and a city, finding the strength they need to rise again after the attack on 9/11. Einstein's Shutter is also a comedy, a romance novel and ultimately a memoir of one life, amongst millions, in the greatest city in the world. This version of Einstein's Shutter was revised in May of 2014. (Author's Note: Nothing in the book has been added or omitted, I merely incorporated the Epilogue into the book so that the book ended as I had originally intended.)
