OSCEs for Dentistry, Third Edition Kathleen Fan, Judith Jones

The new edition of this indispensable revision book has been expanded and updated to help you get through your dental OSCE exams. Featuring over 150 OSCE stations covering the areas in which you will be tested, it provides detailed explanations taking you through what is required to pass the exam - developing your understanding and exam skills, and building confidence for success. Eleven chapters of subject-based stations allow focused revision, and a mock exam provides a realistic sample of questions so you can practice the OSCE format. Each station details allocated timing, allowing you to prepare for the constraints of the exam. Radiographs and colour photographs are included throughout, to illustrate certain cases. This new edition provides essential preparation for your Objective Structured Clinical Examination.
