Stacey:The Twin (Book 2) (Volume 2) R.G. Miller

"If you have to kill one, kill the other also."

These were the words that the renowned psychologist, Dr. Susan Patterson, had spoken to Detective Isis Williams and her partner Annette Toni when they'd visited the doctor at her office in Shreveport, Louisiana; the topic: Stacey and Jennifer McHill.

A few weeks after the detectives' horrific confrontation with the twins--where Isis was forced to shoot and kill Stacey's twin, Stacey McHill was sent to Brand new correctional facility where 'not even a ghost could escape.'

In the meantime, a sadistic rapist/murderer is on the loose in Harlem, he's targeting middle age women. Isis and Toni must hunt the maniac down before the city explodes in a panic.

On a hot summer night, Stacey McHill escapes from prison and the warning that Dr. Patterson had given the detective comes back to haunt her...'If you have to kill one, kill the other also.'

The hunt for the twins was mind-boggling for detectives Isis Williams and Annette Toni, but now the table has turned on the detectives, and they would come to regret the day that they did not heed to Dr. Patterson's warning...'If you have to kill one, kill the other also....'
