## **Best Year Ever! Winning Strategies To Thrive In Today's Classroom** Bill Cecil

If you are a new teacher, a teacher in training, someone that is involved in teacher training, a teacher that is interested in wanting to build a strong sense of community in your classroom, and/or a teacher that has maybe lost a little bit of passion for teaching, then this book is perfect for you! Because, now, you can read how to make every year as a teacher your "Best Year Ever!"

"Best Year Ever!" provides teachers with proven classroom management, team building, and leadership strategies that can turn any classroom into a caring community, complete with high morale, infectious enthusiasm, and increased performance.

This powerful teaching guide gives teachers the needed tools to help build their group of students into a "winning team" where individuals work together to achieve shared goals while striving for personal best. Instead of wasting precious time and frustration trying to continually put out brush fires in the classroom, teachers will have more time to enjoy what they entered this profession to do. Teach! And, students have more time to learn!

"Best Year Ever!" is broken up into two sections: Section One (Setting the Table For Success) will provide teachers with four key strategies to help build their students into a winning team that will be better prepared to learn. Too often, teachers are pressured to start serving the meal (teach the curriculum) before they have a chance to properly set the table (create a positive, safe learning environment for all students). Bill will show how investing a little time to use these four strategies will pay huge dividends in the classroom the rest of the year by cutting down on wasted time, stress, and frustration for teachers and students.

In Section Two of this book, Bill provides a step-by-step playbook for how to create a "Best Year Ever!" experience for students and teachers alike. This section will include lesson plans and activities to use with the students that will set them up for success. As a bonus, Appendix 2 provides teachers with a thirty day supply of lesson plans to help build their teams, create a productive, safe learning climate, and set a positive tone for the rest of the year.

Bill Cecil (Michigan Teacher of the Year for 2003-2004) is a 29-year veteran teacher that believes every teacher is a leader with a team to lead, and has created "Best Year Ever!" that provides teachers with a clear vision, blueprint, and proven strategies to create a positive, safe and productive learning environment where individuals strive for personal best while working together to achieve team goals.

Bill has earned a reputation for being a dynamic speaker that provides rousing presentations and workshops on classroom management, team building, and leadership that are relevant, entertaining, and loaded with practical ideas and strategies. "Best Year Ever!" captures, in print, Bill's enthusiasm, ideas, and passion for teaching.

Bill resides in Mason, Michigan with his wonderful family and continues to teach for the Waverly Community Schools in Lansing.
