Lance Armstrong: A Biography Bill Gutman

BACK ON THE BIKE

LANCE ARMSTRONG is the premier cyclist in sports history. But the road to victory has not been smooth, which makes his story all the more compelling. In 1991 he was the National Amateur Cycling Champion, and a professional career seemed guaranteed. But a grim diagnosis of cancer in 1996 threatened to cut the career -- and his life -- short. With the help of family, friends, and a dedicated team of doctors, Lance began the hard work not only to beat the disease, but to get back on the bike. By the summer of 1999 Lance was not only back, he was leading the pack to his first Tour de France win. And he hasn't stopped winning since that sweet victory. Here's the story of Lance Armstrong, from his first ride, to his most recent race, and all the twists and turns in between!
