Night Show Richard Laymon

When the horror becomes real.

Dani Larson is the queen of horror movie special effects. Grisly murders and mutilated corpses are all in a day's work for her. Nothing frightens her-not even watching herself torn to pieces on the screen. But now the gore is real, and Dani is terrified. She's being stalked by the Chill Master, a psychopath who wants to be Dani's apprentice, her lover, and eventually. . .her replacement. Can Dani find a way to survive? Or will this real-life horror movie scare Dani to death?
