## **Absolute Promethea, Book 3** Alan Moore

While researching Promethea, a mythical warrior woman, college student Sophie Bangs herself is transformed into Promethea, the living embodiment of the imagination. Her trials have only begun as she must master the secrets of her predecessors before she is destroyed by Promethea's ancient enemy.

The third and final slipcased, oversized collection of Alan Moore's occult masterpiece is here, collecting PROMETHEA #13-24, as well as the "Little Margie" stories illustrated by Eric Shanower, plus Chris Sprouse's version of the end of the world Promethea shared with other ABC heroes from TOM STRONG #36. This is the story of the end of the world, of the last days before the Apocalypse. Can Promethea and her allies stop the end of the world from happening?
