Demons In The Flesh (Demons Series) (Volume 1) Craig Frye

A new type of parasite will soon claw its way out of the earth and emerge in the town of Derry, Mississippi. Three such creatures will come to our world; each inhabited by a different demon but all with one common goal: To stop eighteen year old Michael Ray Doyle from accomplishing a dream that seems too far fetched to ever come true. But the Devil isn't the only one who wants Michael's head on a stake. Three self righteous Baptist women who call themselves, "The Ministers of the Devout," whole heartedly believe that the Holy Ghost has come to Derry to cleanse the town of the sinners in their midst. They'll find out the hard way that what inhabits the body of one of their own is anything but holy. Things go from bad to worse for Michael when the girl he is falling for, Lyndsey Jenkins, is added to the long list of people who have vanished from Derry without a trace. Michael's investigation into her disappearance will lead him down a dangerous path; one which results in the deaths of several innocent people, and places him directly in the clutches of the unholy trinity sent to assassinate him.
