In a Queer Country: Gay & Lesbian Studies in the Canadian Context

In a Queer Country: Gay & Lesbian Studies in the Canadian Context

A groundbreaking collection of fourteen essays on the struggles, pleasures, and contradictions of queer culture and public life in Canada. Versed in queer social history as well as leading-edge gay and lesbian studies, queer theory, and post-colonial studies, *In a Queer Country* confronts queer culture from various perspectives relevant to international audiences. Topics range from the politics of the family and spousal rights to queer black identity, from pride parade fashions to lesbian park rangers.
