Ralph Ketcham

James Madison: A Biography Ralph Ketcham

The best one volume biography of Madison's life, Ketcham's biography not only traces Madison's career, it gives readers a sense of the man. As Madison said of his early years in Virginia under the study of Donald Robertson, who introduced him to thinkers like Montaigne and Montesquieu, "all that I have been in life I owe largely to that man." It also captures a side of Madison that is less rarely on display (including a portrait of the beautiful Dolley Madison).
