Nico: Gorgeous, tanned, dark haired, brown-eyed island boy who has all the moves. Will his island charm, bulging muscles and tribal tattoos get him the mainland girl?

George Carlyle: The boss, confident, suave, powerful, and rich. With his old world charisma and natural magnetism can he seduce Alex long enough for her to forget about Nico?

Captivated by 2 handsome men, can Alex survive the emotional anxiety and tension to find true love or will her inexperience and self-doubt leave her hurt and alone?

READER REVIEWS

- “You are going to love this book. I enjoyed reading it because of the characters and how they interact with each other. It feels real. It's an easy, short read and has some steamy scenes in it. I'd recommend it to anyone looking for a good book to sit down to and not get back up until it's done.” – Tiffany LeBlanc
- “Enjoyed this one and Love the series!!” – Martha Sheringham
- “Probably the think I like most about the stories in Denise Daniella Darcy's Love and Romance series is that I often find myself thinking that I am one of the characters in the story. I start to feel as if I am there, right in the middle of the story, right inside the head of Alex or Samantha, feeling what they do and experiencing what they are experiencing. It is like DDD is sitting on my shoulder whispering into my ear, that is how close I sometimes feel to the characters. Another thing I really like about this series is the length. The stories are shorter and that allows me to read them when I have time, in an evening, after work, or on the weekend. I am not a fan of the big volumes that take forever to get through. These stories have all that the long ones do, good characters, a great storyline, interesting dialogue, they just don't have that heaviness attached to them. For me they are the perfect length. And I also like the alternate endings that DDD writes. I think it is a novel (pun intended!) and creative way to keep the reader guessing. Even if you think you know what is going to happen, with the alternate ending, it is always a surprise.

“Great writing, great stories, great characters. I am definitely a big fan.” – Judy St. Pierre

Like multiple endings?

‘Triple D’ has a SPECIAL TREAT for her readers. Each story in this series has an additional totally unique and different ending that dramatically changes the outcome. And the best part- it is absolutely **FREE** for her readers.

Triple D writes stimulating contemporary romances with passion, humor and a down to earth feel that resonates with her readers. Written for readers of young adult, new adult, and teen romance. She writes with a similar style to Catherine Bybee, Debbie Macomber and Melody Anne.
