Doctor Licentious Veronica Storm

Melissa went to Hollywood with dreams of being an actress. The problem? She didn't have the looks.

But she did have the drive and skills the doctor of the stars wanted. Skills that curled his toes. Unfortunately, he introduced her to the seedy side of Hollywood. And the party lifestyle claimed another victim, another statistic.

But unfortunately for the lascivious doctor, she was more than another statistic.

She was Rhonda's sister, and Rhonda was not willing to let her be just another name on an autopsy report.

"He is not going to get away with this. He will pay for getting her hooked on that crap," she swore as she began her seduction of Doctor Licentious.

Authors note: This is a dark story, not meant for the lighthearted. If you prefer your reading to be light this story will not be for you.
