It's Prayer Time: Prayer and Spiritual Warfare from the African-American Perspective

It's Prayer Time: Prayer and Spiritual Warfare from the African-American Perspective

Edited by the Rev. Mark Pollard, president of the reconciliation ministry Common Ground, this important new book is a compilation of powerful articles examining the dynamics of spiritual warfare and warfare prayer as seen through the eyes of those fighting the good war on the front lines of America's urban centers. In order to take back our cities and saturate them with the gospel message, we must first understand the specific roles of prayer, spiritual warfare and evangelism in reaching inner-city populations and the subtle differences between cultures that call for unique approaches to spiritual warfare from one race to the next. Tommy Tenney, author of *The God Chasers*, says, "It's time we join our Christian brothers and sisters on the frontlines in a unified, coordinated assault against the gates of hell!"
