Mythic Monsters: Mesoamerica (Volume 36) Mike D. Welham, Jason Nelson

Aztecs and Incas and Mayans, Oh My! Mythic Monsters: Mesoamerica brings you an awesome array of marauding monsters and exotic encounters from the myths and legends of Central and South America and the Caribbean from the jungles of the Yucatan to the peaks of the Andes. These lethal legends of Latin America range from CR 1 to 30, including such Aztec-inspired creatures as eye-gouging ahuizotl and the apocalyptic harbinger from the stars, the tzitzimitl. From the Mayans we present the beautiful dreamflower xtabay and from Peru the deadly jungle stalker, the tunche. The legends of Chile, from the Araucana to the Chilote and more, bring us the accursed guecubu arisen from its grave with misfortune in its wake, as well as the volcaniccherufe and the shapechanging serpentine peuchen. Classic pulp and fantasy writers like Robert E. Howard have brought us monsters like the hate-fueled zuevemie and the saguaroi cactus-folk, inspired by the myths, legends, and landscapes of Mesoamerica. Creatures of genuine Caribbean legend are also well represented, including the blood-sucking chupacabra from Puerto Rico; the deadly sea monster of the Bahamas, the lusca; and even the very real (though now titanic) giant mantis shrimp! As if a dozen existing monsters were not enough, the brand-new Xipe Totec, a dread demigod flayer of skins and destroyer of destinies. Plus, for your players, the plumed servant prestige class serves the wise and benevolent rainbow-feathered serpents of the jungle pyramids, uniting arcane and divine magic with the subtle weavings of plumes and the watchful gaze of their eternal teachers. This includes both the core prestige class for any Pathfinder campaign, as well as mythic equivalents for making your rainbow servant a legend in her own right! The Mythic Monsters series from Legendary Games brings you dynamic and exciting mechanics alongside evocative and cinematic new abilities that really help creatures live up to their flavor text, whether they are creatures of real-world myth and legend or creatures born out of the RPG tradition itself. These creatures can work just as well in a non-mythic campaign as they do in one that incorporates the full mythic rules, as you can throw them at your jaded players who think they've seen it all or know the standard monster stats as well as you do. That look of surprise and "What was THAT?" will warm any GM's heart. This all-new 34-page supplement by Mike D. Welham and Jason Nelson is a terrific complement to the Mythic Monster Manual, with over 220 mythic monsters and an awesome array of monster-focused abilities, feats, and more for your Pathfinder game! Pick up both books today and Make Your Game Legendary!

From reader reviews:

Gregory Kim:

This Mythic Monsters: Mesoamerica (Volume 36) is great publication for you because the content that is full of information for you who also always deal with world and possess to make decision every minute. This specific book reveal it facts accurately using great arrange word or we can claim no rambling sentences within it. So if you are read that hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but challenging core information with attractive delivering sentences. Having Mythic Monsters: Mesoamerica (Volume 36) in your hand like finding the world in your arm, details in it is not ridiculous just one. We can say that no book that offer you world inside ten or fifteen minute right but this reserve already do that. So , this can be good reading book. Hey Mr. and Mrs. busy do you still doubt that?

Jenni Roberts:

Many people spending their moment by playing outside with friends, fun activity with family or just watching TV 24 hours a day. You can have new activity to pay your whole day by studying a book. Ugh, do you think reading a book can really hard because you have to take the book everywhere? It alright you can have the e-book, bringing everywhere you want in your Smart phone. Like Mythic Monsters: Mesoamerica (Volume 36) which is obtaining the e-book version. So , why not try out this book? Let's notice.

Patrice Eubanks:

As a pupil exactly feel bored in order to reading. If their teacher requested them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's internal or real their pastime. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Mythic Monsters: Mesoamerica (Volume 36) can make you really feel more interested to read.

James Longo:

What is your hobby? Have you heard that question when you got pupils? We believe that that concern was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. And also you know that little person including reading or as examining become their hobby. You have to know that reading is very important as well as book as to be the matter. Book is important thing to incorporate you knowledge, except your own personal teacher or lecturer. You discover good news or update in relation to something by book. Many kinds of books that can you decide to try be your object. One of them are these claims Mythic Monsters: Mesoamerica (Volume 36).
