The First Epistle of John: Expounded in a Series of Lectures

Robert Candlish

The First Epistle of John: Expounded in a Series of Lectures Robert Candlish

Often imitated but seldom equalled, Candlish focuses on three key words in 1 John; light, righteousness and love. Originally delivered as a series of lectures, this commentary retains the warmth of a spoken address whilst dealing with every phrase of the letter in satisfying detail. Joy, assurance and fellowship with the members of the Godhead and his people are themes which receive a great deal of attention. C H Spurgeon thought very highly of this work, recommending it as the principal resource for this book.

Robert Smith Candlish (1806-1873) served as Principal of New College, Edinburgh and as the minister of St. George's in the same city. This work draws on his scholarly credentials, but these never intrude, allowing his pastoral heart to come to the fore.

Originally published in 1866, this edition, based on the second edition of 1870, has been completely re-typeset for issue as an eBook.
