## **Travellers in Spain: An Illustrated Anthology (Santana Classics)** David Mitchell

In this unique anthology, author David Mitchell, himself a respected observer of Spanish life, brings together the impressions of four centuries of foreign travellers in Spain. The result is a collection of the most outrageous, adoring, insulting, libellous, passionate, hilarious, thoughtful, bigoted, eloquent remarks ever made about any country. It is an invaluable key to understanding the Spanish character and to understand why Spain has fascinated more foreigners than any other nation in the world.
