## **A Hero Rising (New Dawn)** Aubrie Dionne

After watching his love leave on a colony ship, James Wilfred must save those left behind from a planetary apocalypse. Their salvation lies in an unfinished ship tucked away in a secret government base, and only James can break in and pilot him and his people to freedom on a nearby space station.

Skye O'Connor's boyfriend never returns after his gang attempts an assassination of the Governor, and the State Building is destroyed. Worse, crazed moonshiners addicted to the chemical Morpheus have stormed the city, and she must find a safe place for her and her boyfriend's daughter. When a heroic man saves her, Skye asks to accompany him on his quest to find the last colony ship left on Earth.

As the city falls around them, James and Skye must work together to build a new future, all the while rediscovering their ability to love, before the apocalypse claims them both.
