**BUCKED Box Set: A Bull Rider Western Romance** Alycia Taylor, Claire Adams

He was a dick when I first met him.

It was just after I found my parents had died. I had decided to spend the summer on the family ranch with my Aunt Sarah because I couldn't bare to live by myself.

That's where I met Noah.

He was arrogant, openly opinionated, and a total dick when he had to pick me up from the airport. He's everything I don't want in a man.

He's also a bull rider. A damn good one.

I wanted nothing to do with him but over the summer he was always around. He was determined to get with me and break down my walls one by one.

Will I get BUCKED?

The Bucked Box Set is a 60,000-word, FULL LENGTH, Standalone western romance. No cliffhanger and has a HEA. Includes 2 free bonus full-length box sets for a limited time.
