**Headgames** Casey Lever

**Everyone has a secret—but who will be the first to crack?**

Steven Byrd is highly intelligent, he's just not very smart. For one thing, he's obsessed with Avery Adams—a girl who can't stand him. When Steven discovers Avery is involved in a secret game, he drags his best friend, Tala, along for the ride. Steven laughs when he finally hears what the game is—until he thinks about the other players. Avery has had plenty of practice at twisting the knife to hurt Steven. Connor Robson is rumored to have been in juvenile detention, and Connor's half-sister Jude's hostility could break glass. A silly kids' game can get serious very quickly when you let other people inside your head.

### From reader reviews:

#### **Sylvia Langley:**

Do you have favorite book? For those who have, what is your favorite's book? Guide is very important thing for us to know everything in the world. Each book has different aim as well as goal; it means that reserve has different type. Some people experience enjoy to spend their the perfect time to read a book. These are reading whatever they get because their hobby will be reading a book. Consider the person who don't like reading through a book? Sometime, man or woman feel need book when they found difficult problem or maybe exercise. Well, probably you will need this Headgames.

#### **Bethany Archie:**

Here thing why this particular Headgames are different and trustworthy to be yours. First of all reading a book is good nonetheless it depends in the content of the usb ports which is the content is as delightful as food or not. Headgames giving you information deeper as different ways, you can find any guide out there but there is no guide that similar with Headgames. It gives you thrill looking at journey, its open up your own personal eyes about the thing that happened in the world which is possibly can be happened around you. You can bring everywhere like in playground, café, or even in your technique home by train. When you are having difficulties in bringing the printed book maybe the form of Headgames in e-book can be your substitute.

#### **Ann Cason:**

Reading a guide tends to be new life style within this era globalization. With looking at you can get a lot of information which will give you benefit in your life. Using book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. Lots of author can inspire their particular reader with their story or maybe their experience. Not only situation that share in the publications. But also they write about the knowledge about something that you need example. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors on earth always try to improve their expertise in writing, they also doing some research before they write for their book. One of them is this Headgames.

#### **Kari Hughes:**

As a scholar exactly feel bored to be able to reading. If their teacher inquired them to go to the library as well as to make summary for some reserve, they are complained. Just minor students that has reading's internal or real their interest. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that studying is not important, boring along with can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Headgames can make you really feel more interested to read.
