A down on her luck BBW meets an alpha werebear in this fun & sexy standalone romance...

Curvy Abby Vale is having the worst week of her life. She has been dumped and fired all in the same week. While looking for a new job, she sees an ad for a dating site.

One particular profile catches her eye. A werebear in Moonstone Creek is looking for a mate.

Intrigued, she decides to make the trip to Moonstone Creek to explore the small, thriving shifter town.

As Alpha of the Nightfire clan, Cole Jameson has to ensure the survival and renewal of his clan of bear shifters. No stranger to violence and bloodshed, Cole knows that a clan that is not reproducing and growing will be preyed upon and wiped out. He orders all his clan members above the age of thirty to sign up for a dating site to find a mate.

A good Alpha leads by example. Cole signs up, even though he suspects that a hardened, cynical werebear like him isn't destined to have a mate.

But when Abby arrives in Moonstone Creek, her lush human scent draws dangerous predators to her.

To keep her safe, Cole will have to fight not just a powerful rival clan, but his own demons. Can he learn from his past and rise above the blood feud, or is history doomed to repeat itself?
