## **Doctor Who, Guía para principiantes (Spanish Edition)** Salvador Molina

Doctor Who, Guía para principiantes es un recorrido no lineal por una de las mejores series de ciencia-ficción y fantasía de todos los tiempos. Con una larga historia a sus espaldas su relanzamiento en 2005 se convirtió en todo un éxito mundial.

Este ensayo, estructurado de forma curiosa con numerosos saltos en el texto muy al estilo de la Tardis, es interesante tanto para el neófito, al que ayuda a introducirse en el universo del Doctor, como para el ya iniciado, que seguro que lo encuentra curioso.
