The Grand Dissolute

Joel Van Valin

The Grand Dissolute Joel Van Valin

The year is 1998 and Jimmy Pagley is falling in love-with a pretty, foreign cafe waitress named Haydee. What he doesn't know is that Haydee is a temvelar, a time traveler from the 29th century, on a mission to find her old mentor. Soon Jimmy and Haydee find themselves caught up in a dark conspiracy of rogue temvelars and government agents, on a search that leads through airports and space stations, art museums and suburban backyards, Greek temples and Medieval castles, and beyond time itself. The Grand Dissolute is a traveler's portrait of a tumultuous, romantic age-our own.
