The Worldwide Listening Guide John Figliozi

New, expanded 5th Edition updates The Worldwide Listening Guide for 2012 and beyond. Guide includes in-depth discussion of radio listening using all of today's formats -- live, on-demand, WiFi radio, podcasts, satellite, internet, and traditional analog AM/FM/Shortwave. The introductory section explains all of the newest delivery methods for radio, and the devices used to access broadcasts from around the world at any time of day or night. Listing section contains more than 4,000 programs sorted by time of day, station, days of broadcast, program types, and their frequencies and web address. Classified Listings are provided to help listeners find programs of specific interest -- from arts, culture and history, to music, sports and more. The Worldwide Listening Guide also contains a link to a special website which keeps the listings current and provides other ways to find programs of interest. There is a whole other world of radio out there for your listening enjoyment. Use The Worldwide Listening Guide to join in the excitement of tuning in to worldwide radio -- listening to news, information, music and entertainment from around the world broadcast in English.
