## **Flora Tristan: Peregrinaciones de paria** Flora Tristan

In the first half of the 19th century, Flora Tristán was a leader in the European and American movements for women's rights and labor unions. She was also painter Paul Gauguin's future grandmother. A self-proclaimed pariah, she denounced the abuse of women and workers through her lucid discourse. This publication of her memoirs marks the the 200th anniversary of her birth.

En la primera mitad del siglo diecinueve, Flora Tristán—una paria, como ella misma se definía—agitó los ámbitos femeninos y proletarios de Europa y América, con una lúcida diatriba sobre los atropellos a estos grupos. Hija de un noble peruano y una joven francesa, también fue la abuela del pintor Paul Gauguin. Estas memorias sirven como homenaje en los 200 años de su nacimiento.
