Connect Sociology is a web-based assignment and assessment platform that gives students the means to better connect with their coursework, with their instructors, and with the sociology that they encounter in their daily lives. An adaptive learning system helps students to better focus their studying by guiding them through the relevant material. A rich database of assignable and assessable activities, each attached to a learning objective, address a wide variety of student and instructor needs. Instructors can deliver assignments and tests easily online, and students can practice skills that fulfill learning objectives at their own pace and on their own schedule.
