Exploring Our Impact on the Environment (Let's Explore Life Science (Powerkids)) Ella Hawley

As people, we have a huge impact on our environment, and sadly this impact is not always a positive one. This incisive volume explores concepts such as pollution, habitat loss, and climate change in age-appropriate language. Later chapters explain what people are doing to reduce or reverse negative changes to the environment and provide readers with information on simple things they can do to shrink their carbon footprint.
