**Understanding the Montessori Approach: Early Years Education in Practice (Understanding the... Approach)** Daniel Isaacs

*Understanding the Montessori Approach* is a much needed source of information for those wishing to extend and consolidate their understanding of the Montessori Approach and how it is used in the teaching and learning of young children. It will enable the reader to analyse the essential elements of this Approach to early childhood and its relationship to quality early years practice.

Exploring all areas of the curriculum including the organisation of Montessori schools, the environment, learning and teaching and the outcomes for children this book:

- focuses on the key principles of the Montessori approach;
- explores ideas for working with parents and communities around the world;
- includes a chapter on the benefits and challenges of the Montessori Approach to children's lives;
- highlights the key ideas that practitioners should consider when reviewing and reflecting on their own practice;
- can be used as the basis for continuing professional development and action research

Written to support the work of all those in the field of early years education and childcare, this is a vital text for students, early years and childcare practitioners, teachers, early years professionals, children's centre professionals, lecturers, advisory teachers, head teachers and setting managers.
