Dancing Moons Nancy Wood

The world is hard up for the simple things that abound in nature. We long for what nature can reveal, the essential truths that connect us to the core of life itself. Following the spiritual philosophy of the Pueblo Indians of New Mexico, who have been her teachers for over thirty years, Nancy Wood shares her awareness and appreciation of the complex, magical world around us. These poems and meditations, following the Twelve Great Paths of the Moon, reveal old, enduring truths that may help each of us on our journey.
