Pursued by unknown forces, Megyn Buckman, and her three friends join forces with a global underground network that call themselves Ezers--Helpers--God's helpers.

Megyn is kidnapped and imprisoned. Her captor manipulates her emotions, but just as she's about to give up, she realizes she has choices. She devises a plan to escape, but help is already on the way. Help from her friends, and help from the God of the universe.

Gisele Nethers continues her campaign against teen and young adult Christians, Megyn, and now, families. She sets up global Connect-op Gatherings involving millions of youth and their younger siblings. Gisele soon finds that she's become the hunted rather than the hunter. She flees for her life as a new, more diabolical force arises.

Megyn's romance with Bret grows as together they fight this new enemy. The battle is spiritual but they know where true power comes from, and who will ultimately prevail.
