Duke Betrayed When Duke Hellbur is accused of treason against his people, he bonds with medic Balaze to keep his human form and prove his innocence. When Duke Hellbur is accused of smuggling Thresls and selling them off to interested buyers, he undertakes a trip to prove his innocence. In order to retain his humanity, Hellbur bonds with a medic named Balaze...who didn't exactly give his assent to the binding of their souls. Balaze admired the duke whenever he visited the castle, but finding someone attractive and wanting to be theirs for eternity aren't the same thing. After surviving the death of his first Thresl mate, Balaze isn't exactly eager to go through that pain again. However, the duke doesn't take no for answer. Those who are guilty will have to be uncovered if the two men ever plan on finding peace with each other. When Hellbur and Balaze go off on an interplanetary adventure, can they find common ground or will their enemies tear them apart? Saint Returns After centuries of isolation, Saint has returned to reclaim what is his... Saint, a Thresl of unimaginable power, has spent centuries trapped beneath rubble. Now free, he is determined to claim both his throne and his mate. Anyone who stands in his way will be annihilated. Marsley Jacks is unsure if he wants to be the mate of a ruthless Thresl. After spending most of his life protecting the shifters, he's unsure if allowing a power-hungry Thresl take over is the best thing for the species. Two men with opposing views—will they come together in time to save their people?
